

# PORTFOLIO FUEL SYSTEMS

- ✓ Mold weight up to 5 Ton
- ✓ Metal Insert Overmolded
- ✓ Specialized Steel requirement
- ✓ FAI (First Article Inspection) requirement
- ✓ Molds with Spare component requirement
- ✓ Product with Tight Tolerance requirements
- ✓ Advanced Rheological Simulation requirements
- ✓ Multi Cavity Tools with Hot Runner requirement
- ✓ CPk (Statistical Dimensional Study) requirement
- ✓ Product with High Volume Product requirement
- ✓ Molds with 1 Million Shot warranty requirement
- ✓ Specific Mold Engineering Know-how requirement
- ✓ Looping for Dimensional Adjustments requirement
- ✓ Internal pressure monitoring capability requirements
- ✓ Scientific Injection Process Development requirement
