

PORTFOLIO TWO COMPONENTS (2K)

- ✓ Medical Industry
- ✓ Automotive Industry
- ✓ Core Back Technology
- ✓ Index Plate Technology
- ✓ Co Injection Technology
- ✓ Rotate Plate Technology
- ✓ Transferring Technology
- ✓ Mold weight up to 5 Ton
- ✓ Special Steel requirement
- ✓ FAI (First Article Inspection) requirement
- ✓ Molds with Spare component requirement
- ✓ Product with Tight Tolerance requirements
- ✓ Advanced Rheological Simulation requirements
- ✓ Product with High Volume Product requirement
- ✓ Multi Cavity Tools with Hot Runner requirement
- ✓ CPk (Statistical Dimensional Study) requirement
- ✓ Molds with 1 Million Shot warranty requirement
- ✓ Specific Mold Engineering Know-how requirement
- ✓ Scientific Injection Process Development requirement

Management System
